

A SYMPHONY OF PRAISE!

FEBRUARY, 2010

Dear prayer team champions,

We really believe that God has given us the most wonderful group of support team members in the whole universe!! Your prayer and support over the last few months have been so appreciated. I want to especially thank you for your generosity in giving toward our year end goal last month! Your sacrificial gifts will help us to provide significant ministry throughout 2010. We praise and thank God constantly for His faithful provision through each one of you!

We are so thankful for your partnership. Together we can lift up a “symphony of praise” to God from whom all blessings flow. Each one of you is part of the blessings we praise God for.

Teri and I have another point we want to share with you as well! In only five years since its inception, GTN has grown from one couple (Paul Madson and his wife Lisa) to a staff of over 70 national and international leaders, training tens of thousands of indigenous church planters, pastors and leaders to reach their own culture with the Good News of Jesus Christ. God has truly blessed and expanded this ministry for His glory!

Due to this growth, Paul and the Board realized that they needed to make some staff adjustments that would help keep the ministry moving forward in a

healthy and God-honoring way. The Board has asked if I would expand my role to include becoming a Vice President of GTN.

In this role, I would be helping Paul and Joel Madson (our other VP) with direction, speaking, sharing vision, equipping new pastor/trainer staff with GTN, as well as many other responsibilities. After Teri and I talked, thought and prayed about what we felt God would have us to do, we said yes! I began serving as Vice President on 1/15/2010.

I want you to know that I will continue to travel and train indigenous pastors and leaders around the world just as I have in the past. I will, however, need to consolidate a few of my international trips this year. I will do this so I can have time available to carry out the added ministry opportunities I will have as Vice President. This position is still a faith supported one; Teri and I thank you for your continued financial partnership with us.

Teri and I are truly excited about this opportunity. By me taking on this new role, the end result will be that even more pastors and Christian leaders around the world will be able to be trained with solid biblical truth and ministry skills. Teri and I would greatly appreciate your prayers as I step into this new role.

Are there other ways you can participate with us in our ministry? Of course!

GTN DESSERT NIGHT IN YOUR HOME: *We are looking for opportunities to share the message of Global Training Network in home settings with others who have a missions heart, or those who would like to hear what God is doing around the world. We provide*

the dessert, and everything needed for a great evening together. You provide your home, and invite your friends. Let me know if this is a ministry you would like to partner in.

Ukraine Leadership Training

Bob Edmondson (GTN colleague) and I will be sharing God's truth on a college campus in Odessa during the day, and then training leaders in the evening. We may have another opportunity to equip Chinese leadership as well in Odessa. We will be leading seminars on *Maximum Marriage*, as well *Dynamic Discipleship*.

OUTHOUSE EVANGELISM PROJECT: *I know the words "outhouse evangelism" sounds like an oxymoron, but its not. One of the leaders in Chuuk, Micronesia became impassioned to take the training he has received from our time with him to the islands around Chuuk that are without a gospel witness. On one island he has begun going to, they have no running water, electricity, or sanitation. He wants to build an outhouse on the island as a testimony of love for them as he shares the gospel. If you are interested in partnering to build this outhouse with funds/and or building skills (you would come on a trip with me in late April/ early May to help build it), just drop me a note via email, or give me a call (480-231-7382).*

INDONESIAN VILLAGE MEDICAL CLINIC PROJECT:

Perhaps there are some of you with medical training who would pray about coming to Indonesia to help hold a medical clinic and participate in leadership training for village pastors. If you can give a testimony about your love for Christ, you can be an effective tool. (set for Sept.2010)

You have a significant position to play on our team as you pray and provide financial support for this world impacting ministry!

If you feel led to join our support team, will you please let us know by filling out the form below? If you are unable to email, please send us the response in the box below to our home address.
