Breaking Free: a Beth Moore Study

Led by Sue Bishop & Marcia Liesener
Thursday morning @ 9:00 am

An in-depth Bible Study that draws parallels between the captive Israelites of the Old Testament and the believers in Jesus of the New Testament. Studying Isaiah and the life of the kings who ruled at that time, spiritual strongholds and obstacles to freedom are identified. Beth explains that anything that hinders you from the benefits of knowing God is bondage.

"The Superwoman Complex"

Led by Kelli Schuttinga & Abigail Pederson
Every other Wednesday evening @ 7:00 pm

Mary Whelchel has provided guidance for "working women" throughout the country with her syndicated radio program and various studies. "So we fix our eyes not on what is seen, but on what is unseen..." is the theme for the study. The "superwoman complex" is a particularly difficult struggle for those in the workplace. Mary doesn't have any answers for you, but God's Word does. We will look at practical ways to apply God's Word to our everyday lives so we are not living on the edge of burn-out, frustrations, and guilt.

Cost: \$7.50 Kelli Schuttinga's home

Believing God: a Beth Moore Study

Led by Rose Palandri
Monday evening @ 6:00 pm

"God, You are who You say You are. And You can do what You say You can ~ what should I be afraid of?" As Beth Moore has you reference Scripture after Scripture, you will discover that the One you've trusted and put your faith in for eternity is the One that waits anxiously for you to trust Him for today and all your tomorrows. He is faithful, always has been faithful, and always will be faithful. Realize WHO calls you His Own and KNOW that you were born "for such a time as this".

Cost: \$15 Building C
